Campaign Spending: [List of Filers](#)

I am honored and grateful for the opportunity to serve and represent the people of the State House 13th District this term. It has been an incredible two years of service as your Representative. I thank you all for your patience, trust, and cooperation.

I am concerned about the future of Maui County. More importantly, I care about what happens to Hawai'i's future. This is why I decided to enter politics. The hardest task of any legislator is to have the imagination and vision to develop long-term solutions, and the ability to gather legislative support. It calls for someone who has proven their personal commitment and dedication to the people.

Caring for our Kupuna and children is a priority of mine. We need to continue to improve our school system and provide better benefits to our teachers as well as offer our children a greater variety of higher education and vocational training programs.

Our infrastructure needs attention now. We need to balance development and our infrastructure with the protection of our natural resources.

It is necessary to ensure that collective bargaining contracts are negotiated and funded, so that public employees will have stability in their jobs.

Improving and sustaining a beneficial business climate in Hawai'i by streamlining processes and reducing cost will create a better environment for businesses and attract investment capital to Hawai'i.

I will continue to work hard to get results on your behalf. I humbly ask for your support this upcoming election. Mahalo!
